Washington, DC 20463

Dear Federal Election Commission:

Enclosed please find an amended First Quarter Form 3 Report for the Ellison for Congress Committee (FEC ID #C00422410).

The reason for the amendment is to document a few small corrections which were noticed when the campaign transferred to a new financial software system.

Please let me know if you have any questions regarding this amendment.

Sincerely,

Aaron C. Street  
Treasurer
